### **WHAT MAKES OUR CAMP SPECIAL?**

We offer an educational, hands-on horse camp for children. We have programs for the beginner as well as the advanced equestrian student.

Students will learn the basics of horsemanship, horse safety, care and grooming, and most of all they will have great time.

Safety is our ultimate priority! Each session is limited to ensure proper supervision. Side-walkers are available for beginning students until they are able to control their horses. Horses are selected for their gentle personalities. Our safety record is unbroken, and riders leave camp happy and well informed.

## **Description of camper levels:**

**Level 1:** A true beginner with limited or no riding or horse knowledge.  
NO prerequisites for level 1 camps.

**Level 2:** Can tack up, quick groom, and ride independently. Has walked and trotted unassisted, and can identify parts of the horse and tack.  
(Students/campers must complete a level 1 camp before attending a level 2, or have their abilities evaluated by our staff.)

## **WHAT WILL THE CAMPERS DO?**

Campers will rotate through different learning centers and activities which may include but not limited to: feed programs, tacking (putting equipment on and off horse), washing and grooming, barn chores, identifying parts of the horse and saddle, class work, ground work with horses, a riding lesson, and horse related games.

## **REGISTRATION**

- **Space is limited so call early to reserve your spot.**
- Full tuition of \$300 is due along with registration form before the camper will have a spot reserved.
- If signing up for consecutive level one and level two camps tuition is discounted to \$500 for both sessions.
- Refer to the summer camp page on our website for all necessary enrollment forms and paperwork.
- Bring remaining completed releases on the first day of camp. Children will not be allowed to stay, if paperwork is not completed.
- All tuition is **NON REFUNDABLE**. However, we understand that circumstances can change that may cause a camper to not be able to participate. If notice is received before registration for the camp ends, then we will be happy to credit the student's **account** for the **half** of amount of the tuition. This credit can be used towards any services that DDEC provides. The credited amount must be used within a 60 day time that the notice is given or that money will be forfeited. Again, no money will be refunded. **NO EXCEPTIONS!**

### **HELMET POLICY:**

- Helmets are required to be worn by every student under the age of 18 during all mounted activities. Equestrian helmets made to the current ASTM F1163 standard and certified by the Safety Equipment Institute (SEI) are considered to offer the best possible head protection for horseback riding activities. Double Diamond Equestrian Center LLC does have some helmets available for students to rent during their riding lessons at our facility. However, if there is not a properly fitted helmet available for a student, they may be required to purchase their own helmet.
- Riding helmets can be provided for an extra \$25 per week. If you choose purchase one for your child, you may purchase them at [troxelhelmets.com](http://troxelhelmets.com) or from our office.

## **CAN I STAY TO WATCH MY CHILD?**

The safety of your child is our first priority. We CANNOT have parents or siblings staying with the children. Our full attention needs to be on the campers and nothing else. Family and friends are encouraged to attend the last day for the “open barn” to see what your child has learned. You are welcome to take pictures and videos at this time. Please make sure that any other children that come with you stay in the observation area with you at all times. We have many other horses on the premises and cannot be responsible for their safety. Also, dogs are NEVER allowed on the property!
